

Chargeable Extras

We offer both funded and non-funded places and deliver the 15 and 30 hours of FREE funded childcare through a stretched offer over 51 weeks to eligible families.

This form outlines the chargeable extras available at our setting. Chargeable extras in a nursery setting are defined as optional services or provisions that are not covered by government-funded hours or standard fees. These may include, but are not limited to, meals, extended hours, trips, and enrichment activities.

Parents and carers can choose to pay for additional hours or services beyond their child's funded entitlement, as detailed in the table below:
